Sector Consultation Tools**

## Co-Designing Public Sector Consultation Tools

A photograph of three women sitting around a table in a workshop or meeting. The woman in the center, wearing a colorful patterned shirt, is holding a purple puzzle piece and pointing towards it. The woman on the left, wearing glasses and a dark top, is looking at a piece of paper. The woman on the right, wearing a white patterned shirt, is looking at the puzzle pieces. On the table are several large, colorful puzzle pieces in shades of purple, teal, and yellow, some of which are already assembled into a larger shape. There are also papers, a notebook, and other small objects on the table. The background shows a wooden wall and some posters.
